Subject: West Lake costs comparison

Dan,

I need to have you extract relevant data we have from previously public presentations about the comparative costs of the basic remedy options: cap in place v total removal. HQ OCIR wants to share those with Sen McCaskill's staff, who are curious about the cost differences. Apparently, in Jan 2012, you provided a powerpoint (perhaps in conjunction with our NRRB presentation) to OCIR's Carolyn Levine: that may have some of this comparative data.

Pls let me know tomorrow a time when I can talk with you, Ron, and Cecilia about this ask. I'd like to get the info to HQ by end of this week.

thx
